**Re: EX PARTE SUBMISSION
WT Docket 03-66; Amendment of Parts 1, 21, 73, 74, and 101 of the
Commission's Rules to Facilitate the Provision of Fixed and Mobile
Broadband Access, Educational and Other Advanced Services in the
2150-2162 and 2500-2690 GHz Bands**

Dear Ms. Dortch:

On March 3, 2005, Bradley Holmes, the Chief Operating Officer of NY3G Partnership ("NY3G"), met with Barry Ohlson, Legal Advisor to Commissioner Adelstein, regarding the above-referenced proceeding.

NY3G talked about its current efforts to provide wireless broadband service to the New York City area. The parties discussed the proposals in the Commission's *Further Notice of Proposed Rulemaking*, and NY3G's ongoing negotiations with Trans Video Communications, Inc., the grandfathered ITFS licensee in New York City, including the obligations of ITFS licensees to negotiate with co-channel MMDS licensees.

Please direct any questions regarding this matter to the undersigned.

Very truly yours,

Tony Lin
Counsel for NY3G Partnership
